THE PROCESSION

Nearly two decades ago you joined The Procession -- The Procession of mankind. For centuries The Procession has gone on before you, with people by the countless millions joining the ranks momentarily, only to pass on after the brief flicker of a lifetime. Endless marching of The Procession has cut a wide swath across the face of the earth, piercing the shadows of time -- forever growing, forever learning -- taking from those who have gone before, giving to those who have followed.

Now the day has come for you to seek your ultimate place in The Procession. Some of you must prepare to fill vacancies at the head of The Procession to replace leaders who will some day fall by the wayside. Others must join as followers who must strive equally hard to be good followers.

Reach forth to accept the endowment of those in The Procession who have already passed. Grasp their successes and their failures with a firm conviction. Correct and profit by their mistakes. Perfect their ideas. Develop their plans for the tomorrow that is now your today, and enrich the heritage of the generations that will follow. Be not content with The Procession as you find it, but keep its course ever true, constantly seeking those idealistic goals that have contributed so greatly to the building of our great country -- America.

The Thirteenth Annual Coronation of the Varsity Queen was presented on Saturday, October 12th, by the "R" Club of Roxana Senior High School

During the week a pep rally was held---- followed by a sockhop. Friday, the Annual Homecoming Game was played with Cahokia.

The victory over Cahokia was celebrated by the Crowning of the Queen and a

dance in her honor which was held in the gymnasium Saturday Night.

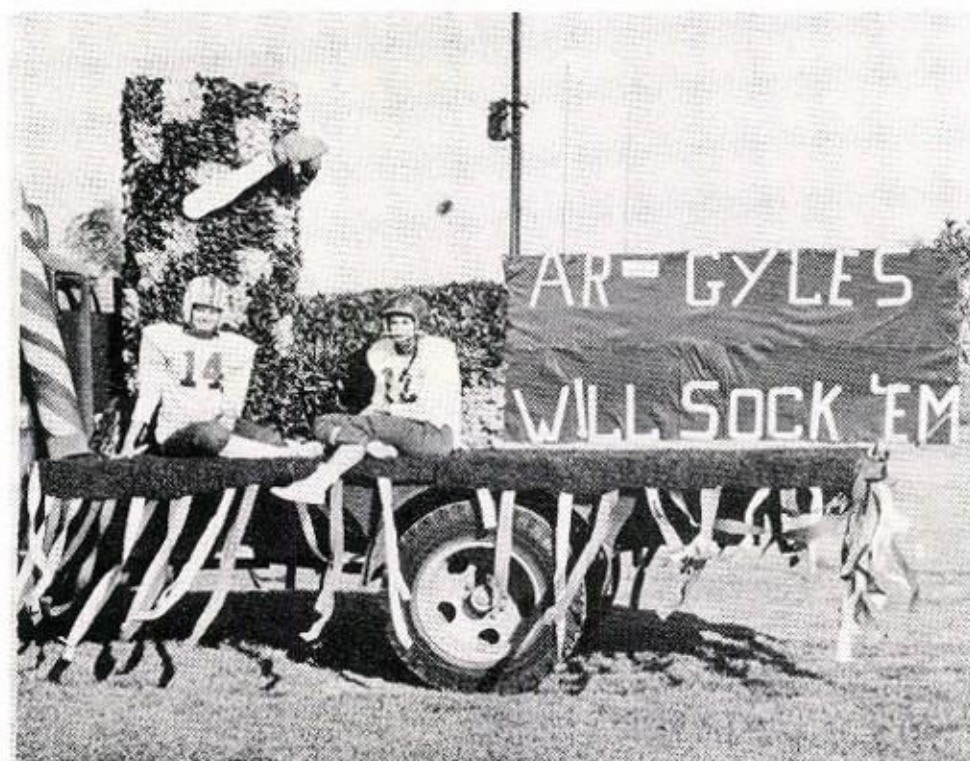

The stage was beautifully decorated with a backdrop of white and red with a red "R" in the center of a large gold shell. Blue and white streamers adjoined the backdrop. A foreground of blue completed the elaborate decorations. The annual coronation dance featured Johnny "Mojo" Wright, and his four piece combo.

Students at reception

Miss Angeliki Laiou was one of thirty-four delegates selected in nation-wide competition and brought to the United States as a guest of the New York Herald Tribune

Transportation and all other costs attendant to their St. Louis visit were underwritten by the St. Louis Post-Dispatch.

The delegates arrived in the United States December 29 for a three month stay. While in the New York area, each student was the guest of four different host families and high schools.

The foreign students' visit to St. Louis during the week of February 2, 1958 marks the first time that the delegates to the Forum had the opportunity to journey into the heartland of the United States.

Before the foreign students arrived in the St. Louis area, hosts were appointed. Beth Underwood was appointed as a host and Larry Leamy as an alternate host.

During her visit to RHS on Monday, February 3 Angeliki attended Beth's classes. After school a reception was held in her honor. On Thursday afternoon twenty RHS students attended a Forum-The World We Want- at University High School. On Friday the foreign students appeared over KETC from 2:00 to 3:00 p.m. Mr. Major donated three television sets so the Roxana students could watch the program.

Twirp King

The Second Annual Crowning of the Twirp King was presented on March 15, 1958, by the Student Council of Roxana Senior High School. The student body elected five King candidates from the Senior boys. The highlight of the week's activities was a dance where the King was announced. At the dance, each girl who attended cast a vote for one of the five candidates. Mr. Tom Lakin received the most votes and was therefore escorted by Miss Anita Anglin to the throne, where he received a medallion which was inscribed "King, RCHS, 1957 - 1958."

Football

The Roxana Shells had a record of four wins, four losses, and one tie during the 1957 football season. Injuries and the widespread flu epidemic were two factors partially responsible for the four losses.

Twenty-three players earned letters this year under the leadership of Coach McLane and assistant Coach Tschannen. The team named Bob Durham, the Shell's quarterback, honorary captain; Tom Lakin, fullback, most valuable back; and John Chandler, tackle, most valuable lineman.

Each week during the season the Elks Club of Alton chose the outstanding lineman and back from the Alton area. Three players from Roxana were chosen--Tom Lakin, Bob Parsons, and Pat Hamm. In recognition of being chosen, each of these players was a guest at a dinner the following week. At the end of the season, all of these players and also those receiving honorable mention were honored at a banquet. Roxana players receiving honorable mention were Bob Durham, John Chandler, and Dick Van Meter. At this banquet, the Elks Club members named Pat Hamm most valuable lineman.

The members of Roxana High's Spanish Club have been as active as Mexican jumping beans this year. Aside from their selling of potato chips, fritos, candy, and ice cream in the lobby of the new gym at noon each day, these busy beavers sell refreshments after school in the hall and in the front lobby. The Spanish Club also has sponsored chili suppers and spaghetti dinners during the football and basketball seasons this year.

Members of the club have raised even more money by selling holly wreaths at Christmas time, a student telephone directory, and hosiery. They are now planning a cookbook which they will sell.

All this money which they have worked so hard to raise, is going toward a trip for the entire group to either Mexico or Cuba.

One Spanish Club is formed every two years; this is the third such group. The club is sponsored by Miss Mildred Jackson, the Spanish teacher.

Miss Anita Anglin has been chosen to receive the D. A. R. Good Citizens Award, given by the Cahokia Mounds Chapter of the Daughters of the American Revolution. The senior class elected three girls, and from these, the faculty selected Anita.

To qualify for the D. A. R. Award, a girl must have the following qualities:

1. Dependability
2. Service
3. Leadership
4. Patriotism

Roxana High School announces that Sylvia Gebelein is this year's winner of the Bausch and Lomb Honorary Science Award Medal for achieving the highest scholastic record in science and mathematics during her high school course.

The choice of the winner is based upon the scholastic achievement in science and mathematics, with incidental consideration of records in other subjects, qualities of leadership, and extra-curricular activities.

The Honorary Science Award Medal was instituted in 1932 and is presented in thousands of secondary schools throughout the country. The award is recognized as significant evidence of scientific aptitude and has proved the means of encouraging countless young people to the consideration of scientific careers.

Ellen Waltz

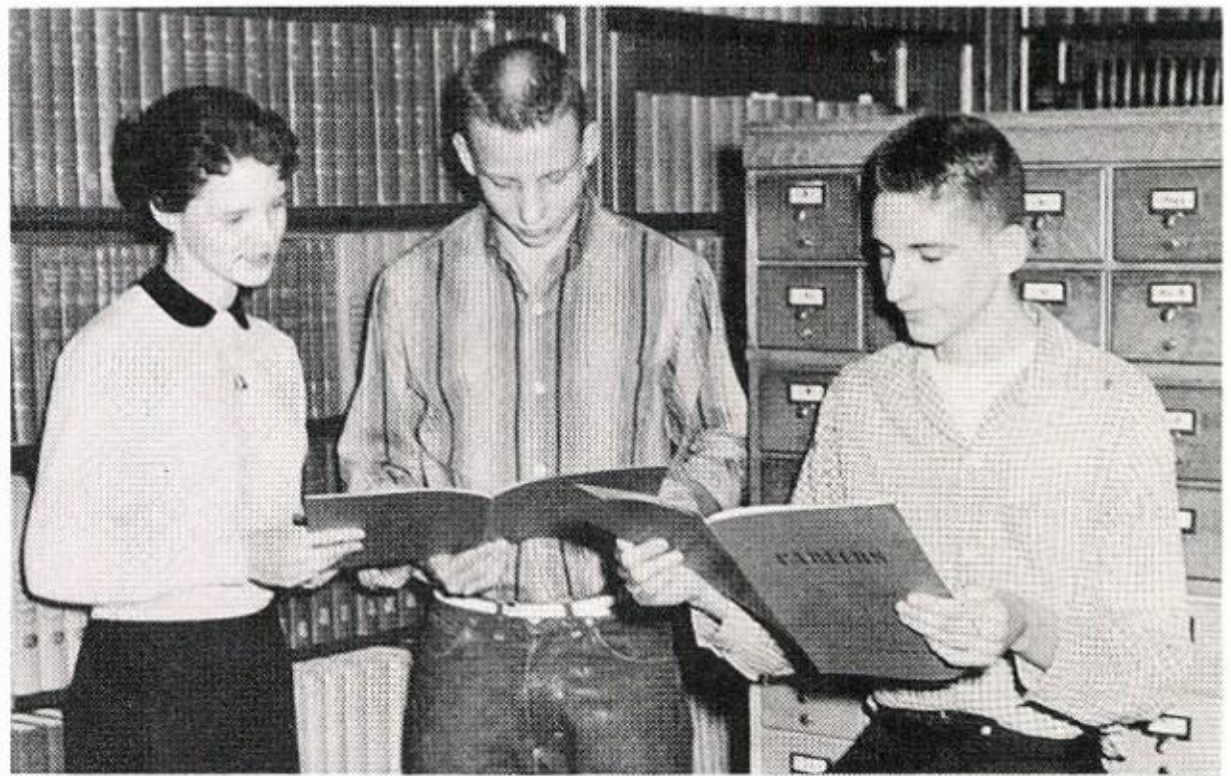

On March 27, 1958 the Roxana Teacher's Association presented a variety show to raise money for a scholarship fund. Each year a graduating senior who is entering teacher education will be given a scholarship.

Teachers and board members from Roxana Community Unit District #1 and high school students participated in the various skits, ranging from hillbilly to light opera to riotous comedy.

THE ROX STAFF WISHES
TO THANK ALL PEOPLE
WHO HELPED WITH THE
PRODUCTION OF THIS BOOK.

THANK YOU!!!

We're Going With You

Whether you knew it or not, almost every day of your school year you've used a product made by Olin Mathieson, or one that Olin Mathieson helped to make.

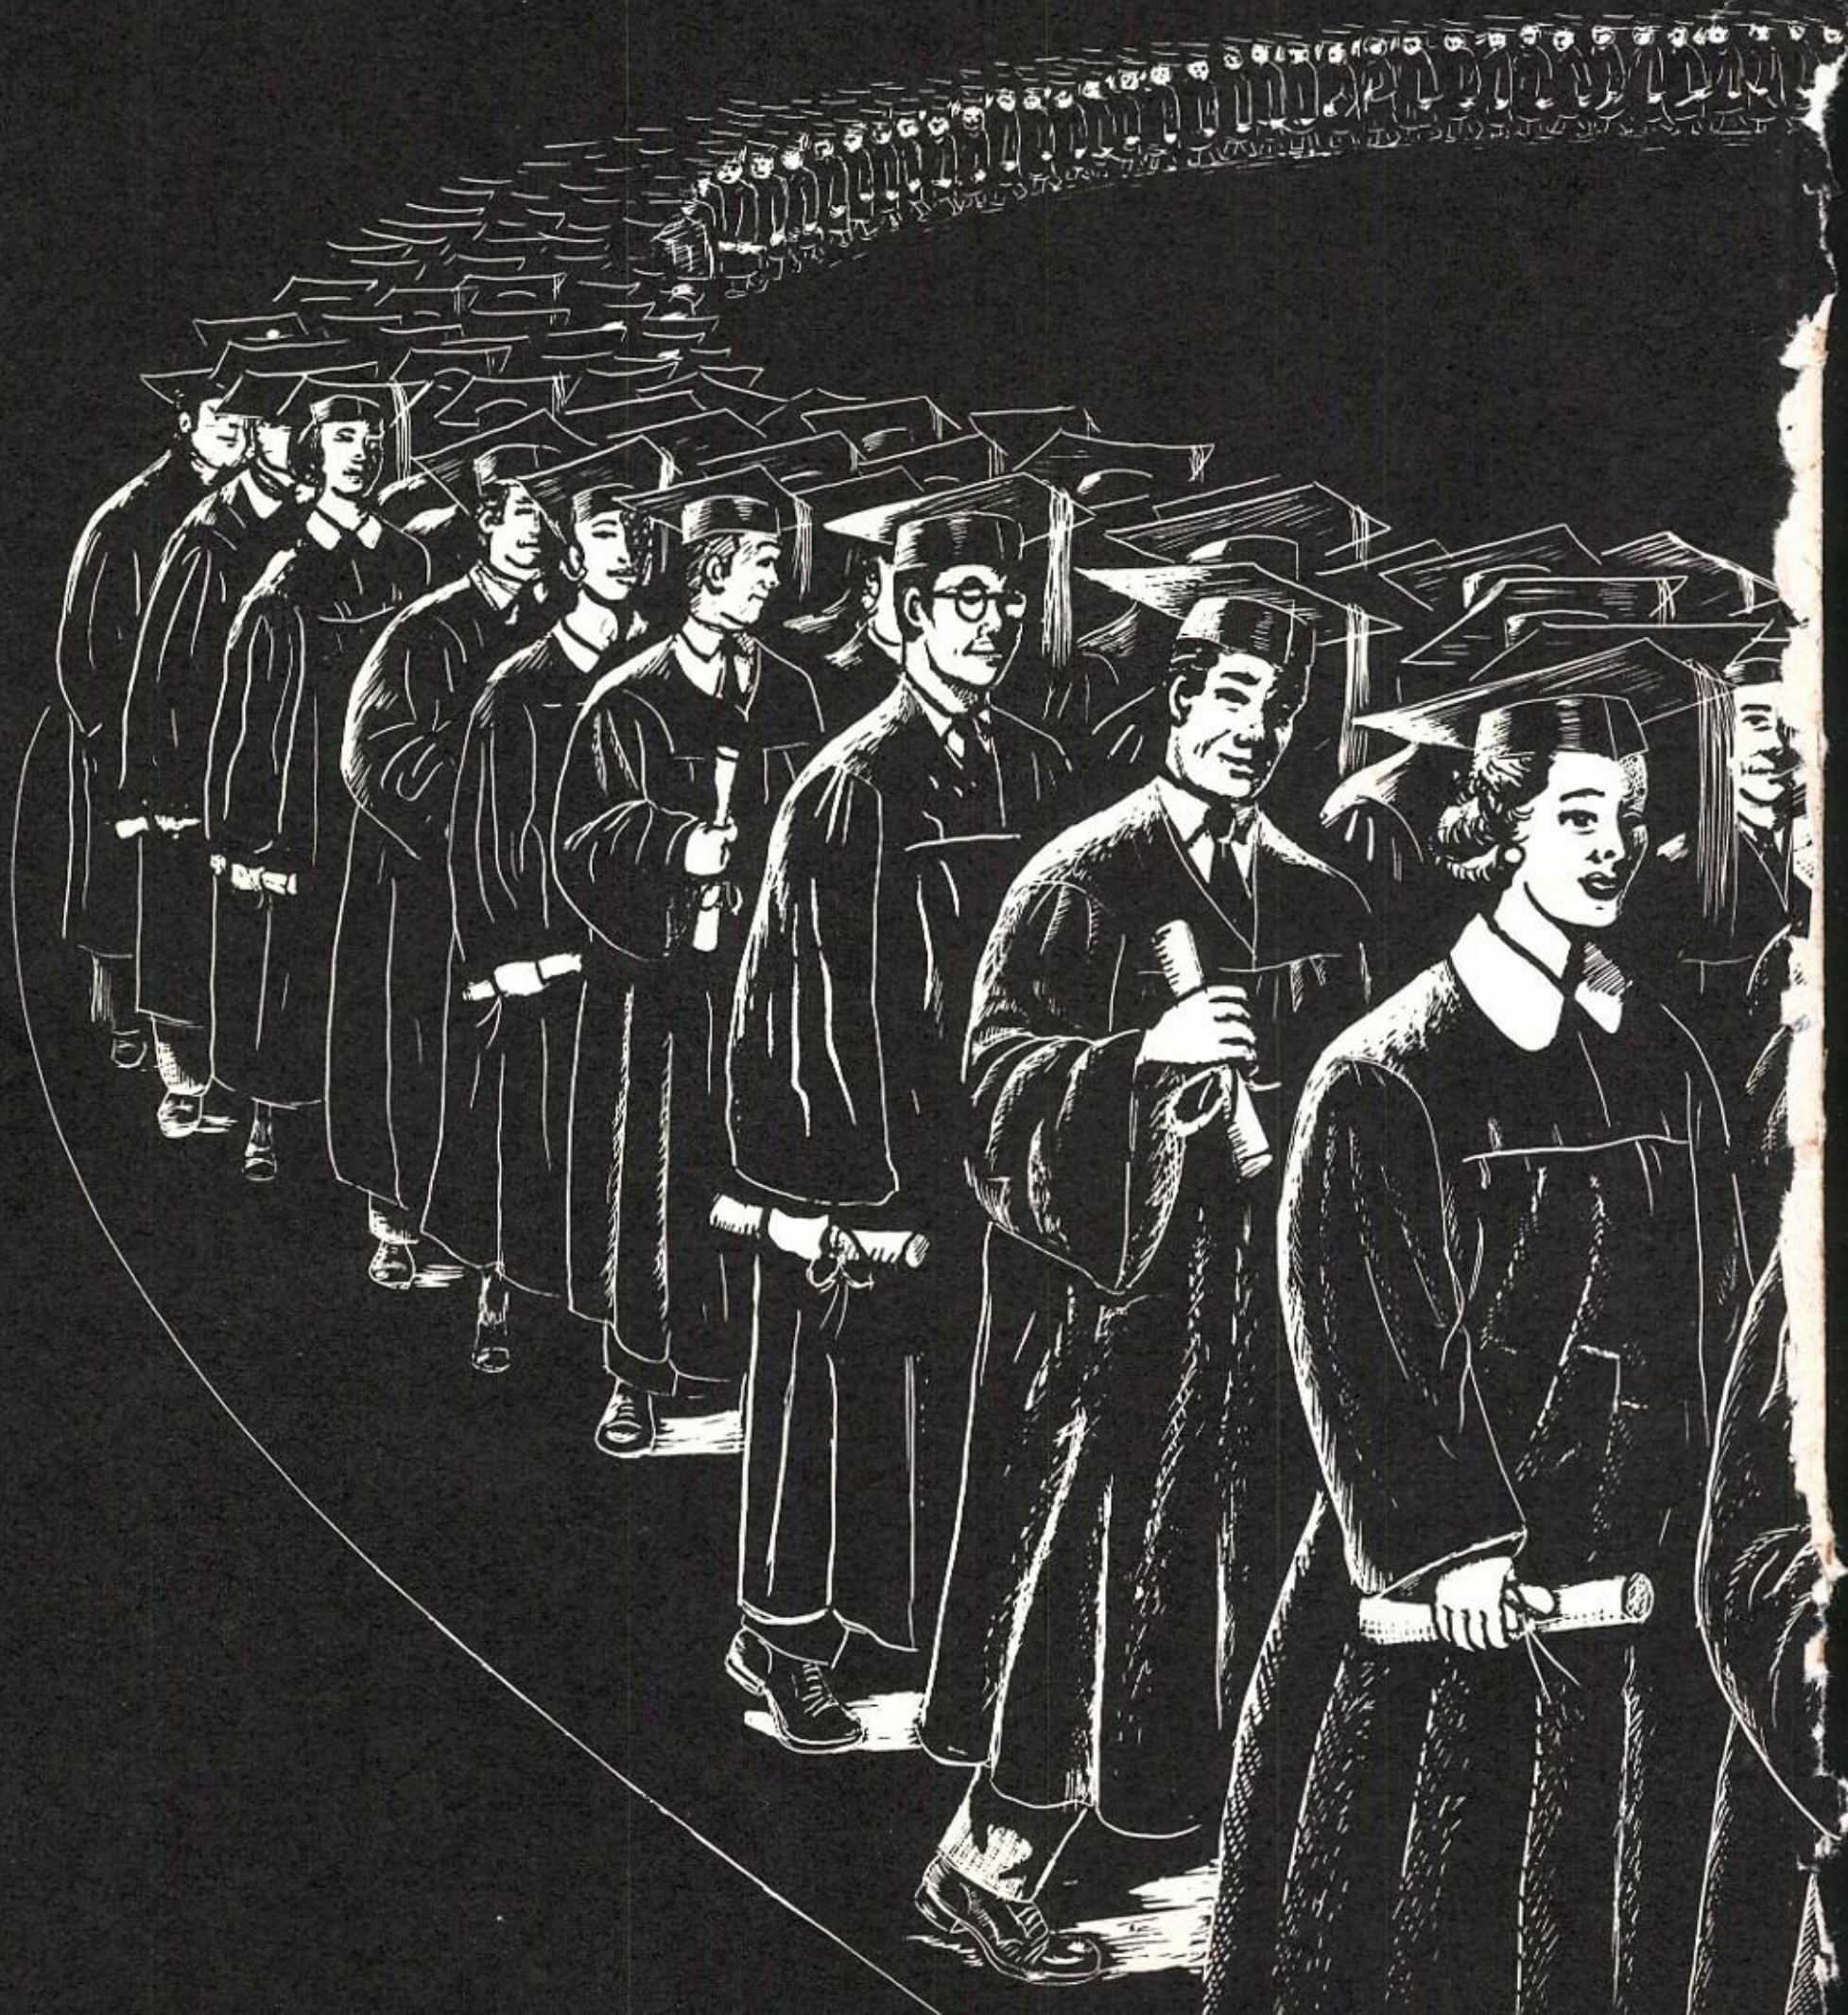

Once you're established in business or professional life, you'll probably hear a lot more about Olin Mathieson. A good many of you may have business with us, and a few of you may even come to work for us. There will be room because Olin Mathieson is growing. When Olin Industries, Inc., merged with the Mathieson Chemical Corporation in August, 1954, they brought together the skills, facilities and resources of two of the country's most rapidly expanding industrial organizations. You and the Olin Mathieson Chemical Corporation will meet each other often as we do.

Meanwhile, we extend our best wishes. May the future bring you everything you've hoped for and worked for.

THE PROCESSION

Nearly two decades ago you joined The Procession -- The Procession of mankind. For centuries The Procession has gone on before you, with people by the countless millions joining the ranks momentarily, only to pass on after the brief flicker of a lifetime. Endless marching of The Procession has cut a wide swath across the face of the earth, piercing the shadows of time -- forever growing, forever learning -- taking from those who have gone before, giving to those who have followed.

Now the day has come for you to seek your ultimate place in The Procession. Some of you must prepare to fill vacancies at the head of The Procession to replace leaders who will some day fall by the wayside. Others must join as followers who must strive equally hard to be good followers.

Reach forth to accept the endowment of those in The Procession who have already passed. Grasp their successes and their failures with a firm conviction. Correct and profit by their mistakes. Perfect their ideas. Develop their plans for the tomorrow that is now your today, and enrich the heritage of the generations that will follow. Be not content with The Procession as you find it, but keep its course ever true, constantly seeking those idealistic goals that have contributed so greatly to the building of our great country -- America.
